Simmons, New Jersey Star, Leads College Harriers

Orange Athlete Cheered by 5,000 Spectators as He Speeds to Victory Over Big Field in Championship Event at Van Cortlandt Park

Syracuse University's 'cross-country team fulfilled the predictions of its followers when it captured both the individual and team honors in the twentieth running of the Intercollegiate Association of Amateur Athletes of America championship event over the hazardous six-mile course at Van Cortlandt Park, The Bronx, yesterday. John G. Simmons, a New Jersey resident, displayed a brilliant effort in leading home the large pack of harriers, while the Orange representatives returned an upset in compiling the winning team total of 49 points.

With N. Utrecht

during the last 600 yards of the journey overshadowed the other features that marked the event. With the finish mons started his well known sprint to rush past William MacMahon, of Mas-sachusetts Institute of Technology, for

Thunderous applause greeted the flying Syracuse athlete as he sped through a line of 5,000 spectators for about 800 yards toward the finish.

MacMahon put up a game battle, only to have the honors wrested from him when he had visions of being crowned the college hill and dale champion of the United States. However, Simmons proved that he was entitled to the honors.

Simmons completed the six-mile trail of rought ground and steep hills in 32 minutes 55 4-5 seconds, which is the second best time for the course. Simmons' time is almost five seconds faster than he made when he captured the junior national A. A. U. 'cross-country championship and Syracuse the team honors in the annual race over the same course two weeks ngo. With Simmons first and MacMahon second, the next four positions in

With Simmons first and MacMahon second, the next four positions in order went to Robert Crawford, Lafayette: Tom McDermott, Cornell; Lewis G. Watson. Syracuse, and W. M. Cummings, Pennsylvania.

While Syracuse's defeat of Princeton for the team honors caused a surprise, the Tiger representatives were not in their best condition. Three of the members who started sustained injuries several days ago during a practice run over the Princeton course, but rather than not be represented Keene Fitzpatrick decided to allow them to compete. Consequently, much credit is due the Princeton men for finishing second with 69 points.

Cornell, fifteen times winner of the team honor, did not present a squad of the Moakley standard, and finished third with 80 points, while Pennsylvania fared much better than it expected in pulling down fourth honors, with 117 points.

The winning members of the Syracuse team and the positions in which they finished were: Simmons, first; Watson, fifth; H. Johnson, seventh; W. Campbell, sixteenth, and Morris Fellman, twentieth.

Two Records Established Two Records Established

The third competition of the college event over the Van Cortlandt Park trail saw the establishing of two records. One was for the number of scheduled starters, although many entrants faried to start while the other was the attracting of 5000 persons to the starting and finishing point. Although there were 150 harriers, representing fifteen institutions, entered celly seventy-four runners and thirteen teams started. Among the absentees were Penn State and Maine, which were expected to furnish considerable opposition in the team score

siderable opposition in the team score

siderable opposition in the team score controversy.

At the start the field engaged in a mad fight for the lead, with the competitors running grouped until the first ascent of the golf links hill was begun. Positions then changed frequently, with the result that Crawford Simmons, MacMahon and H. Reed, of Yale, were out in front at the summit of the climb.

The Manual Training High School eleven easily defeated the New Utrecht High School football team in a rather one-sided game played at Commercial Field yesterday afternoon. The final score was 25 to 0. The Bay Ridge lads were woefully weak, both on the offense and defense.

Toble, Manual's star quarterback, scored all the points for his team

Simmons Takes Lead

With only one mile left, MacMahon still maintained his fifty-yard advantage and it looked like a hopeless task for Simmons had come as a mable to keep pace with MacMahon, who endeavored to MacMahon, who endeavored to disput the lead. The Tech man, however, had spent his speed, for Simmons had come abreast of MacMahon, who endeavored to disput the lead. were out in front at the summit of the climb.

However, Crawford was determined to find out the real strength of his riva's. He leaped forward into a long sprint as the macadamized Moshu uparkway road was reached. MacMahon and Simmons glad'y welcomed the challenge, while MeDermott, Irwin, of Princeton; Cummongs, of Penn, and Watson took up the chase. Swinging into the hard underbrush of the backwoods Crawford stil maintained a few yards advantage over MacMahon, who was following lenurely in second place, with half a dozen runners following on the heels of each other.

Taking the turn around the water jump MacMahon sped into the lead and was setting a stiff pace for Crawford, McDermott, Simmons, Irwin and Reed, followed in the order named The first real of test of the sturdiness of the runners came at the approach of the bow der covered Cemetery Hill. MacMahon took his strides with the firmnes of a Rocky Mountain gont. Crawford, fami iar with the rocky course, also picked his way forward while the other runners stretched out behind.

When the runners had reached the F. B. Beatle Reference W. N. Howard, Springfield. United Springfie

while the other runners stretched out behind.

When the runners had reached the top of the hill there was a shout from the spectators gathered at the starting point and considerable surprise was manifest when it was seen that Simmons was not in the van. However, Syracuse followers, and there were many present, were reassured almost immediately when Simmons was not in the van. However, Syracuse followers, and there were many present, were reassured almost immediately when Simmons was not in the van. However, Stracuse followers, and there were many present, were reassured almost immediately when Simmons was seen to follow in fourth place, only five yards behind the leaders.

Stepping onto the Polo Field, MacMahon who was tearing along for fifty yards. Shills and also teamed came Irwin and Reed.

The positions of the runners remained unchanged until after the golf links hill had been traversed for the see and time Upon reaching the Mosahol Prakway Simmons made his bild le cha.enged McDermott for third place and the Cornellian began to failer after sprinting along for fifty yards. Simmons had also pulled along side of Crawford, who had dropped subty only one mile left, MacMahon who was tearing along wildly in the van.

Simmons to cut down this lead.

many others in official life saw the game.

Early in the day, the betting was in favor of the Washington and Lee team, as the forenoon was rain, and the superior weight of the visitors was counted on as being certain to score heavily in a muddy field. But sun came out before the gabe opened and within three minutes after the game began, Georgetown acored its first touchdown. The Georgetown team had two of its regular team McQuade, the captain, and Wise—in the hospital.

Captain Bethel, of Washington and Lee, made its touchdown fo'lowing a sensational dash of twenty-five yards. Plavin, Leighty and Malley made touchdowns for Georgetown, Maloney kicking the goals.
